ABOUT THE WINE

Discover the vibrant soul of Piemonte with Barbera Ariota, an elegant Italian red wine that embodies the richness of the region’s winemaking heritage. Grown in the rolling hills of northwestern Italy, this expressive Barbera captures both tradition and freshness in every sip. From the moment you pour, its vivid ruby red hue invites you in. The color reflects the intensity and brightness you’ll soon taste. The nose is generous and layered, revealing a bouquet of black cherries, ripe cranberries, and red plums. Subtle hints of cloves, anise, vanilla, and caramel add complexity and warmth to the aroma. On the palate, Barbera Ariota is fresh and juicy, bursting with ripe fruit flavors. Its vibrant acidity adds liveliness, while silky tannins provide structure and elegance. Each sip is smooth yet expressive, showcasing the grape’s natural brightness and the winemaker’s careful touch.
