ABOUT THE WINE

Experience the soul of Northern Italy with Il Donato, a refined red wine crafted entirely from 100% Nebbiolo grapes. Grown in the rolling hills of Piemonte, Nebbiolo is one of Italy’s most noble and age-worthy varietals, revered for its elegance, complexity, and connection to the land. As you pour, you’re greeted by a brick-red hue, signaling both maturity and richness. This color hints at the wine’s depth, drawing you into a captivating sensory experience. The nose is vibrant and layered. Aromas of dried fruit, black cherries, and licorice rise first, followed by tobacco, black pepper, and a whisper of earthiness. Each inhale offers a glimpse into the wine’s story—one rooted in Piemonte’s time-honored traditions. On the palate, Il Donato delivers balance and finesse. Medium tannins create a gentle grip, while bright acidity adds lift and freshness. Flavors evolve gracefully, revealing a subtle tension between power and softness. The finish is long, evolving, and leaves a lasting impression. This is a wine that speaks the language of its land—quietly confident, deeply rooted, and gracefully bold. It’s not just for special occasions. It’s for those who appreciate wines with soul and substance.
