ABOUT THE WINE

Sorrento Frizzante Red wine: A Unique Blend from Campania (Serve it COLD!) Crafted from Aglianico, Piedirosso, and Sciascinoso grapes, this Sorrento Sparkling Red Wine reflects the region’s rich winemaking heritage. Grown in the volcanic soils of the Sorrento Peninsula, this wine captures the essence of its unique terroir, shaped by Mount Vesuvius and the Mediterranean climate. This wine features a vibrant ruby-red color with fine bubbles, offering aromas of red berries and subtle mineral notes. The light sweetness is balanced by refreshing acidity, making it perfect for serving cold (5-8°C). Ideal with grilled seafood, salads, light pastas, and cheese platters. While Sorrento is famous for its lemons and limoncello, the region is also home to exceptional wines. The Sorrento Peninsula‘s volcanic soils and Mediterranean climate produce wines full of character and complexity, making it a hidden gem in Italy’s wine landscape.
