ABOUT THE WINE

Gragnano Sparkling Red Wine – The Perfect Pizza Pairing from the Sorrento Peninsula Experience the unique charm of Gragnano sparkling red wine, a traditional specialty from Italy's Sorrento Peninsula. Crafted from native grapes like Aglianico, Piedirosso, and Sciascinoso grown in volcanic soils, this vibrant ruby-hued wine delights with light effervescence, bright red berry aromas, and subtle floral notes. Its refreshing acidity and slightly sweet, crisp finish make Gragnano the ideal sparkling red wine to accompany authentic Neapolitan pizza, grilled seafood, cheese boards, and savory charcuterie. Served chilled at 5–8°C, its lively bubbles and balanced flavor profile offer a fresh and exciting twist on classic Italian pairings. Perfect for wine lovers seeking something different, Gragnano captures the volcanic terroir and coastal climate of the Sorrento Peninsula, making every sip a true taste of southern Italy's rich winemaking heritage.
